A mys - tic land, That tells a sto - ry, On ev - 'ry hand,
The sav - age chants, As night ad - van - ces; The wild ro - mance

Of trop - ic glor - y. Here, _____ care and wor - ries dis - ap - pear; _____
Of sav - age danc - es All _____ seem to lure me with their call. _____

And ev - 'ry - where, The flow - ers bloom - ing, With fra - grance rare,
The reck - less love, That sets you reel - ing, That soars a - bove

The air per - fum - ing, Here, _____ Par - a - dise is ver - y near. _____ I love those
All oth - er feel - ing, All _____ seem to hold me in their thrall. _____ I love those
