

A Summer Lullaby

Lullaby Love, lullaby Sweet
Rest little hands, rest little feet;
Dreaming the birds warm in the nest
Lullaby Love, close to my breast.

Hush little voice, hush little cries,
Sleep gently, kiss soft pretty eyes;
Sleeping the lamb, sleeping the bee,
Lullaby Love, closer to me.

C. Lusted

Thomas F. Dunhill, Op. 41. No. 2

Andante moderato, e cantabile (♩ = 108)
