Lyric by  
RAYMOND EGAN

Music by

**Andante cantabile**

Soon you will be O - ver the sea, Some-where in France, dear,  
While o - ver there, Your heart will share My ev - 'ry dream and

fight-ing for me. See - ing you start, Near breaks my heart, But in  
my ev - 'ry prayer. You will not be Love o'er the sea, For my

dreams I'll be with you though we're miles a - part.  
prayers soon will bring you back safe - ly to me.

## REFRAIN

For what is an o - cean be - tween hearts that love? We'll meet each

twi-light in Dream-land a - bove. So dry ev-'ry tear-drop, for - get ev - 'ry sigh, And

smile as you kiss me good - bye.\_\_\_\_\_ For bye.\_\_\_\_\_
